

Operation of drinking settlement at Hitotsubashi International Residence Halls

【Underage Drinking】

○The University does not recognize underage 20 drinking regardless of on the dormitory or on the campus.

○The University does not allow any students to serve or offer alcohol to underage 20 either on or off campus.

【Rules at the drinking place】

○Alcohol may not be consumed by any person in any part of the dormitory other than the private space.

○The concept of 'the designated space' is mainly 'kitchen and common rooms'. When you use these space for party or any other event with alcohol, you need to gain the understanding of your floor mates before.

○When you use the space other than kitchen and common rooms, you need to get a permission from the University.

In addition, even in the private space, you will be penalized when you disturb public order.

* In order to comply with the country laws and the University Student Alcohol Policy, and to promote the health and well-being of all residents, Hitotsubashi University has enacted this settlement which all residents are expected to comply with.
